GENERAL.

Proceedings of the Government of Mysore,

READ :—

Proceedings No. 4—D, dated 13th November 1896, making, certain grants, from Local Funds General, for such urgent works as village sanitation, drinking water wells, &c.

No. 35—D, DATED, BANGALORE, 1ST FEBRUARY 1897.

ORDER THEREON.—In drawing the attention of the Deputy Commissioners of Bangalore, Kolar, Tumkur, Chitaldrug, and Mysore districts (including French Rocks sub-division) to the above, the Government wish to be furnished, as quickly as possible, with a statement showing the progress of expenditure upon these works up to date. They are further requested to report whether there is any real demand for more money for works of this description, and, if so, how much they expect to be able to spend during the present season.

Proceedings of Government, No. 3-D, dated 13th November 1896, *re* grants for irrigation wells and land improvement.

No. 37—D, DATED, BANGALORE, 2ND FEBRUARY 1897.

ORDER THEREON.—The only districts in which fairly liberal grants seem to have been made for irrigation wells are Tumkur and Chitaldrug. The districts of Bangalore, Hassan and Shimoga show a very small expenditure, while no grant whatever seems to have been made in Kolar up to 15th January 1897. Having regard to the prospects of the season, Government consider it desirable that greater activity should be shown in this respect in the maidan districts. The punctual submission of the fortnightly returns is also a matter to which Government attach the greatest importance. A report as to the extent of expenditure incurred up to the end of January 1897 should be submitted as quickly as possible.

2. The Bangalore and Mysore districts show an advance of Rs. 1,600 and Rs. 1,300, respectively, on account of land improvement up to the end of November 1896. The statements for the subsequent months have not yet been received from those districts. The returns received up to date from the other districts do not show that any loans have been advanced therein on this account. The instructions given above as regards irrigation wells apply with equal force to land improvement also.

The following copy of the Proceedings of a Joint Committee of the Executive Officers of the City and Civil and Military Station of Bangalore, for the purpose of concerting measures for protection from the Bubonic plague, submitted by the Senior Surgeon and Sanitary Commissioner, with his letter No. 2188, dated the 1st February 1897—

Present.

A. M. Slight Esq., I. C. S. *In the chair.*
Surgeon Lt.-Col. P. H. Benson.
Surgeon Major R. Ross.
V. N. Narasimmiyengar Esq.
T. T. Leonard Esq.
Dr. H. H. Marshall.

I. *Resolved.*—That special attention be given at once to the following measures :—

(i) Quarantine for travellers in a modified form, by surveillance of those coming from infected places.

(ii) The issue of notices and hand bills to Railway Constables, Police and other officials, explaining the symptoms and nature of the disease, action to be taken on its appearance, &c.

(iii) Repairing drains which are out of level or otherwise in bad order.

(iv) Cleansing and flushing of all sewers and drains.

(v) Inspecting and cleaning disused closed sewers and filling them up if not too expensive.

(vi) Repairing and cleaning or pulling down dirty and ruinous unoccupied buildings.

(vii) The cleansing and whitewashing of all dwelling houses.

II. That daily bulletins be asked for from Sanitary Commissioners of Bombay and Madras.

III. That House Sanitation Bye-Laws be introduced as soon as possible.

IV. That rewards be offered for early information of any cases of plague occurring.

V. That measures be taken to encourage the general destruction of rats.

VI. That ambulance carts be provided and kept in readiness for use at the Railway Stations.

VII. That it be suggested to the Resident in Mysore :—

(i) That the Government of India be moved to at once apply Section 171 of the draft Regulations to the Civil and Military Station so that the Resident and the Government of Mysore may be able at once to issue any rules that may be necessitated in emergency

(ii) That in conjunction with the Mysore Durbar, a special Joint Committee be formed for the purpose of considering measures necessary from time to time for the prevention of plague; such Committee to consist of the Officers now present together with the Principal Medical Officer, and the Assistant Adjutant General, Bangalore district.

Memo of instructions dated 30th January 1897 issued by the Deputy Commissioner of Kadur, and submitted for the information of Government with his letter No. 470, dated the 30th January 1897—

MEMORANDUM.

On careful consideration and after perusing the opinions of the Civil Surgeon and District Officers, the Deputy Commissioner does not think that any steps to enforce anything in the nature of actual quarantine against the plague either can or need be taken in this district.

2. It is more than doubtful if the restrictions involved in a quarantine can legally be enforced without special legislation or special orders from the Executive Government.

3. The district of Kadur is moreover so situated that the danger of infected passengers penetrating unobserved and unchallenged so far as any of the District Railway Stations may be said to be reduced to a minimum, inasmuch as passengers arriving from the Poona side will presumably have been inspected at Harihar and those from Bangalore at the latter station; some danger may however be admitted to exist.

4. The Civil Surgeon has, it is observed, addressed the Sanitary Commissioner and the Head of his Department on the subject, and it may be that some special orders having the authority of Government may shortly be received from the Sanitary Commissioner.

5. Pending the receipt of such special orders (if any), the Deputy Commissioner thinks it will be sufficient to take the following precautions.

6. The Amildars of Kadur and Tarikere will be directed to make the following arrangements in a quiet and unostentatious manner.

7. They will request the Railway Station Masters to be good enough to arrange to inform the Revenue officials at once of the arrival of any passengers from the direction of Bombay or Poona who may appear to be suffering from illness.

8. A Taluk official, and a Police Officer, and also, if possible, the Hospital Assistant should be in attendance just outside the limits of the Railway Station to receive the information and to take care of any passengers reported as above.

9. The matter must be arranged in the above way as the District officials have no authority over either the Railway employés or the Railway Police.

10. If any passengers should be either reported to be ill as above described or should be found by the Taluk official deputed or Hospital Assistant to be ill, they will be requested by the officials in attendance to place themselves under treatment in an isolated shed.

10A. At first and until it can be seen whether and to what extent sheds are likely to be required, two or three sheds only need be erected.

11. The Amildars will arrange for isolated sheds being erected (as in case of cholera epidemics) at Kadur, Birur, Ajjampur and Sivané.

12. The sheds should be at some little distance from the town on clean and healthy spots, and with a supply of good water.

13. The Hospital Assistant should be required to assist the Amildars in the selection of the suitable spots.

14. The expenditure which ought not to be large can be met from Local Funds (Sanitation, closing balance), subject to adjustment from Provincial Funds.

15. The Amildars will arrange for patients (if any) who may have sufficient means purchasing their own supplies and having them cooked.

16. A dealer might be detailed at each town to send or keep a supply of articles of food near the sheds.

17. Indigent patients, if any, must be fed at the public cost (Provincial Funds).

18. The officials employed in carrying out these instructions will understand that they are to exercise tact, persuasiveness and kindness in dealing with patients rather than authority.

19. The Civil Surgeon will be requested to issue the necessary orders in regard to the services of the Hospital Assistants at Kadur, Birur and Ajjampur and Sivané.

20. The Assistant Superintendent of Police will be requested to issue the necessary orders in the Police Department including arrangements for guarding the sheds.

21. It seems necessary to supplement these orders by directing that at Malnad frontier stations on the Ghats, sick travellers, if any, should be asked to remain under observation for a few days. There are, it is believed, petty sheds or dukhans at most of these stations, which can be utilised for the purpose.

22. At Sakrepatna, travellers should also be inspected, and if found to be ill, should be asked to remain in a special shed (to be erected by the Amildar), pending special express report and orders thereon from Head-quarters, made through the Civil Surgeon, or in his absence, the Medical officer at Head-quarters.

No. 8840-50—Mis. 1697, dated, Bangalore, 4th February 1897.

Order thereon.—The Government approve of the measures proposed by the Joint Committee, and the Municipal and Executive Officers of the Bangalore City will give due effect to them.

2. In addition to these measures, the City Municipality must take immediate steps to cause all nightsoil pits in the Pettah to be cleared and filled with dry earth, and to introduce a system of daily conservancy throughout the City.

3. Passengers from Bombay, Poona and other affected places are already examined by a competent Medical Officer at Harihar. The Kadur Deputy Commissioner has issued instructions for their examination at the Railway Stations in his district, and the examination at Guntakal by the Madras authorities has hitherto been considered as sufficient for passengers using the Hindupur Branch Railway. It is desirable now to establish a complete system of inspection and watch, and the following instructions are accordingly issued.

4. Passengers from Bombay, Poona or other affected places should be inspected by a competent Medical Officer at the following Railway Stations:—

1. Harihar.
2. Birur.
3. Kadur.
4. Arsikere.
5. Tumkur.
6. Bangalore.
7. Goribidnur.
8. Kolar Road Station—Bowringpet (on the Madras Railway.)
9. Mysore City.

The Medical Officer should meet every passenger train from the North for the purpose of this examination. Such of the passengers as may be found to suffer from the plague should be detained and supplied with food and medical treatment at sheds to be put up for the purpose, near the Railway Stations named, in a healthy and convenient situation removed from inhabited quarters.

5. Persons not actually suffering from the disease should be watched by the Police at their own residences for a whole fortnight from the date of their arrival, and should they show signs of the disease, they should be admitted as in-patients into some suitable separate building and there provided with food and medical treatment.

6. Those who wish to provide themselves with food should be allowed every facility for doing so.

7. The Senior Surgeon and the Sanitary Commissioner has, under the instructions of Government issued in October last, been acting in concert with the authorities of the Civil and Military Station, in introducing needful precautionary measures for the protection of the Bangalore City. He will continue to do so as long as the danger lasts, and the Deputy Commissioner and Municipal President will give prompt careful attention to his suggestions.

8. The Deputy Commissioner is responsible for giving due effect to the orders contained in paras 3, 4 and 5 above as regards all stations outside the City of Bangalore, at which latter place the duty shall devolve upon the President of the City Municipality.

9. The Inspector General of Police and the Senior Surgeon will issue to their subordinates the necessary instructions for the proper inspection of passengers (para 4) and for the efficient watching of new arrivals (para 5).

10. To meet the cost of sheds, food, treatment and miscellaneous charges, the following advances are sanctioned:—

	Rs.
To Municipal President, Bangalore City	500
To Deputy Commissioners, Kolar, Tumkur, Chitaldrug, Kadur and Hassan, each Rs. 400	2,000
To Deputy Commissioners, Bangalore and Mysore, each Rs. 200 ...	400

11. The Deputy Commissioner of Shimoga must take action in accordance with the above instructions, should occasion therefor arise in his district.

12. The precautionary measures above laid down for specified Railway Stations may be extended by the Deputy Commissioner to other Railway Stations in his district, as well as to Stations on Ghaut or other roads, whenever such extension becomes necessary.

13. The Sanitary Commissioner will issue in Kanarese and English, for distribution among the Police and Executive Officers, a brief memo explaining the symptoms of the disease and the sanitary, dietetic and other measures required for its prevention, treatment, &c.

14. The need for thorough daily cleansing of all drains, cess pits, rubbish deposits, &c., is impressed upon the Municipalities of Bangalore, Mysore, and other large towns in the Province.

Government Order No. D—16, dated 11th December 1896 :—

The remark made in the Season Report of the Mysore district that want of rain is still felt in the Nanjangud taluk is unmeaning. It appears to Government that the rainfall register for the Nanjangud taluk has not been carefully kept, and the subject requires investigation. The Deputy Commissioner is requested to look into the matter personally by visiting parts of the taluk and report if their condition is in any way different from what prevails in neighbouring taluks.

Letter No. 989, dated 12th December 1896, from the Deputy Commissioner, Mysore District.

Adverting to Government Order No. 16—D of the 11th instant making certain observations on the Season Report of this district for the week ending the 5th December 1896, I have the honor to state that it is based on the Amildar's report which is herewith forwarded for ready reference and kind return.

I shall however report on the condition of the Nanjangud taluk after inspecting it personally.

Letter No. 1051, dated 4th January 1897, from the Deputy Commissioner. Mysore District.

In continuation of this office letter No. 989 of the 12th December 1896, *in re* the condition of the Nanjangud taluk, I have the honor to report that I inspected portions of the said taluk. Its condition does not in any way appear to be worse than that of the neighbouring taluks, but on the contrary the prospects seem to be better than those of other taluks, having a large extent of wet cultivation under two channels nearly seventy miles in length. I inspected the rain gauge also which has been fixed in the open yard in the midst of the taluk cutcherry building. The gauge is not situated in any place having thirty yards of clear space all round, and thus the rainfall is obstructed by the surrounding cutcherry from being received into the gauge. Hence a mistake must have occurred about actual quantity of rainfall. Steps will be taken to have the rain gauge removed to a more convenient place.

Government Proceedings No. 22—D, dated 21st December 1896, calling for a report regarding an immigrant who was believed to have died of starvation at the Mysore Gold Mine, and directing the Deputy Commissioner to afford prompt relief to any wandering immigrant that may be found in his district.

READ :—

Letter No. 2737—677, dated 20th January 1897, from the Deputy Commissioner, Kolar district, and the Special Magistrate's report received therewith.

Adverting to Government Proceedings No. 22—D, dated the 21st December last, calling for a report regarding an immigrant who died of starvation at the Gold Fields, I have the honor to submit herewith the report received from the Special Magistrate with enclosures on the subject. The deceased, it would appear, looked fairly well-nourished and had rice and conjee by his side at the time of death, and did not appear like a famine-striken person; from the statement of witnesses Rangaswami and Murgam, who deposed that they had seen the deceased when alive and that he appeared to be sick, it seems probable that he died of some illness

2. I have placed a sum of Rs. 50 at the disposal of the Special Magistrate with full instructions for granting relief to immigrants suffering from starvation as directed in Government Proceedings No. 21—P, dated 21st December 1896.

Report by the Special Magistrate, Kolar Gold Fields—

From the evidence obtainable and herewith submitted, it does not appear to me that the deceased vagrant died of starvation. For eight days prior to his death he was well supplied with food in the mines, and it seems probable that he procured food by begging up to the time of his death, for food was found beside his body; he probably had some disease which could have been ascertained only by a *post mortem* examination. Unless the police were on the look out for a vagrant, he might easily have escaped their notice. I think the man died from natural causes and could easily have obtained medical or other assistance if he had desired it.

No. 44—D, DATED, BANGALORE, 11TH FEBRUARY 1897.

ORDER THEREON.—The cause of death should have been ascertained in this case, if necessary, by a *post mortem* examination.

2. The provision by way of an advance of money to the Special Magistrate for affording prompt relief to wandering immigrants is approved.

Letter No. 497, dated the 6th February 1897, from the First Assistant to the Resident in Mysore to the Dewan of Mysore.

Her Majesty's Embassy at Constantinople have, during the last year, been obliged repeatedly to remonstrate with the Sublime Porte on the unsatisfactory condition of the Hedjaz, and in October 1896 they called serious attention to the absolute insecurity prevailing on the Mecca and Medina roads, and to the unwillingness or inability of the Vali to ameliorate their condition. Robberies of an atrocious nature take place; passengers, male and female, have been stripped of all they possess and of every shred of clothing, and many have been severely beaten and mutilated. The state of insecurity is such that no caravans venture to travel at night, and owing to the heat of the day, communication between Mecca and Jedda is ceasing altogether.

2. I am directed, under instructions from the Government of India, to request that steps may be taken to let intending pilgrims know the dangers to which they will be exposed.

No. 9184-91—Mis. 1731, DATED, BANGALORE, 12TH FEBRUARY 1897.

ORDER THEREON.—Ordered that copies of the foregoing communication be forwarded to the Deputy Commissioners of districts, with a request that they will at once take steps to give due publicity to the dangers therein mentioned.

No. 9241-8—Mis. 1741, DATED, BANGALORE, 13TH FEBRUARY 1897.

ORDER THEREON.—It was unecessary for the Deputy Commissioner to have made this reference. The supply of carts to the extent feasible under the circumstances of each case clearly comes under para 6 of the Mysore Bangalo Regulations of 25th February 1863, wherein "the person in charge of each "bangalo is instructed to assist travellers in procuring supplies, &c., for ready "money." The Amildar's duty is to see that the above rule is duly carried out by the bangalo servants. Letter No. 1567, dated 5th December 1896, from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, recommending that the pay of the three Sisters of Charity, employed in nursing patients and on other work in the General Hospital at Mysore, be raised from Rs. 40 to Rs. 50 each per mensem, in consideration of the large increase of work in the hospital from the year 1886, when they were first entertained and the rise in the price of articles of consumption since that date, and soliciting sanction to the entertainment, on the permanent establishment at Rs. 50 each per mensum, of the two Additional Sisters who have been rendering gratuitous service at the hospital during the past eight or nine years.

No. 9318-49—Mis. F. 10-94, DATED, BANGALORE, 13TH FEBRUARY 1897.

ORDER THEREON.—Under the circumstances reported, Government are pleased to sanction the pay of the three Nursing Sisters of the Mysore Hospital being raised from Rs. 40 to Rs. 50 per mensem, as recommended by the Senior Surgeon.

2. Sanction is also accorded to the entertainment, on the permanent establishment of the hospital at Rs. 40 each per mensem, of the two Sisters who are reported to have been working gratuitously there for several years past.

3. The additional cost involved will, as far as it relates to the current year, be met from savings in the Medical budget, and the Comptroller will be requested to provide for the charge under the proper head from next year.

4. The Senior Surgeon is requested not to permit in future the services of any nuns, or other employés being accepted in his department, without remuneration in the absence of sanction therefor by the Government.

Correspondence ending with letter No. 2175, dated 29th January 1897, from the Senior Surgeon, regarding the conduct of Hospital Assistant Amrithanayagam Pillay, employed in the City Hospital at Bangalore

No. 9352-3—Mis. 1749, DATED, BANGALORE, 13TH FEBRUARY 1897.

ORDER THEREON.—Amrithanayagam Pillay, referred to in the above, was, by Government Proceedings No. 1634-5—Mis. 243, dated 31st July 1896, degraded from the 2nd to the 3rd grade of Hospital Assistants for misbehaviour consequent upon habits of intemperance. It has been since reported that he has shown no signs of improvement, that the Senior Surgeon had to suspend him again for misconduct, and that since then he has not returned to duty.

2. Under such aggravated circumstances, Government have no hesitation in holding that he is unfit to be retained any longer in the Medical Service of the State.

3. Hospital Assistant Amrithanayagam Pillay's dismissal from the Service, with effect from this date, is accordingly ordered.

No. 106—117, CAMP MYSORE, DATED, 14TH FEBRUARY 1897.

ORDER.—In lieu of the orders contained in para 4 of the Proceedings of Government, No. 8840—Mis. 1697, dated 4th February 1897, the following instructions are issued by the Government of Mysore for the guidance of the Medical and Police Officers of the State:—

2. With the help of the Railway Magistracy and Police and of Railway officials under the authorization of the Resident, for which application has been made, all passengers by the Railway from Bombay, Poona and other places suffering from the Bubonic plague should, until further orders, be inspected at the Railway Stations of Harihar, Tumkur and Bangalore City by a competent Medical Officer of the State. Such examination should be made in detail and should be as complete as possible at Harihar. The examination at Tumkur is intended as an additional precaution and may therefore be less in detail. At Bangalore City, only passengers arriving by train from the Guntakal side need be examined; such passengers will have already been examined at Guntakal by the Madras authorities who keep the Senior Surgeon informed of the result, and their examination at Bangalore City is only intended as an additional precaution.

3. Such of the passengers as may be found upon medical examination as above, to suffer from the plague, should be received from the Railway Police by the Mysore Police or other Officer deputed for this duty by the Deputy Commissioner and they should be properly housed and supplied with food and medical treatment at sheds to be put up near the Railway Stations above named, in convenient and healthy situations removed from inhabited quarters. Persons desiring special arrangements for their food, treatment or housing should be afforded every reasonable facility for making them.

4. Rules under the Epidemic Diseases Regulation, 1897, will be published for guidance at an early date.

No. 121—133, CAMP MYSORE, DATED 16TH FEBRUARY 1897.

ORDER THEREON.—The medical inspection of Railway passengers from the North has, by orders of 14th February 1897, Camp No. 106—117, been restricted for the present to Harihar, Tumkur and Bangalore City. In addition to the sheds ordered to be erected at those places, similar ones on a smaller scale, each capable of accommodating from 6 to 10 persons, should be got ready near the following Railway Stations:—

1. Goribidnur.
2. Bowringpet.
3. Kamasamudram.
4. Kadur.
5. Birur.
6. Arsikere.

2. Letter No. 1353—154, dated the 19th October 1896, from the Inspector General of Police in Mysore.

No. 9584-5—P. & A. 1159, DATED, CAMP MYSORE, 18TH FEBRUARY 1897.

ORDER THEREON.—In the letter read above, the Inspector General of Police states that when Mr. Walton, Inspector of Koppa taluk, was granted privilege leave of absence for three months, Mr. Everard, Chief Constable, Kolar Gold Fields, was appointed to act for him, and he requests that Government may be pleased to sanction a special acting allowance in favor of the latter, as Article 87 of the Mysore Service Regulations does not permit of his drawing such allowance on the pay of the permanent incumbent which is less than Rs. 100; he further requests that full horse allowance may be sanctioned in his case as he was required to keep a horse to be able to perform the duties of Inspector while he had not maintained one as Chief Constable.

2. The acting allowance permissible under article 82 of the Mysore Service Regulations is only $\frac{3}{4}$ths of 20 per cent of the pay of the absentee for the first 30 days and 20 per cent for the rest of the period.

3. Article 87, which applies to appointments carrying a salary of not less than Rs. 100, has been held by Article 93 to apply to other appointments also, with the proviso that the allowance payable to the absentee should not exceed the difference between his pay and the acting allowance payable to his substitute. The grant of privilege leave in such cases for a longer period than one month is subject to the condition that no extra expenditure is thereby imposed on the State.

4. Mr. Walton, though entitled to privilege leave, should not have been given the same on full pay. His allowance during absence on such leave should have been fixed at his full pay *minus* the allowance of Rs. $\frac{3}{4} \times 14$ or Rs. $10\frac{1}{2}$ due to Mr. Everard for the first 30 days and of Rs. 14 a month for the rest of the period. It is, however, too late now to make such an order.

5. With the above observations, an acting allowance to the extent mentioned in the previous para, *viz.* Rs. $10\frac{1}{2}$ for the first 30 days and Rs. 14 per mensem for the rest of the period is sanctioned for Mr. Everard as a special case.

6. Under Article 199, Mr. Walton gets half the horse allowance if he maintained a horse during leave, while the other half is all that Mr. Everard can claim.

7. The grant of any allowance in excess of what is permissible under Codal Rules is inconvenient and undesirable, and this should be guarded against in future.

Proceedings of Government No. Camp 106—117, dated 14th February 1897, *re* the examination of passengers suffering or suspected to be suffering from the Bubonic Plague.

No. 154—164, CAMP MYSORE, DATED, 18TH FEBRUARY 1897.

ORDER.—Government are of opinion that the medical inspection of passengers can be more efficiently done at Yeswantpur than at the Bangalore City, and that the segregation of suspected cases at the former place would not only be beneficial to the patients themselves on account of the open character of the surroundings, but would also be of greater benefit to the latter place.

2. The Government accordingly direct the substitution of "Yeswantpur" for "Bangalore City" in the proceedings referred to above.

3. The Deputy Commissioner of the Bangalore District will, in communication with the Senior Surgeon, come to a decision as to the kind and quantity of accommodation required at Yeswantpur, 1st, for suspected cases and 2ndly, for persons actually suffering from the Plague, and take immediate steps for providing the same, the construction of sheds at the Bangalore City (if not already ready) being dispensed with. If however sheds are actually ready at the Bangalore City, they need not be pulled down but should be reserved for future contingencies. The sheds to be erected at Yeswantpur should be in a convenient, suitable and open situation and may perhaps be on the plan of those proposed for the Cantonment Station.

4. The Deputy Commissioners of Chitaldrug and Tumkur will at once report whether separate sheds as in para 2 above are ready at Harihar and Tumkur, respectively, and if so, for how many persons those sheds afford accommodation.

5. The Senior Surgeon will be good enough to furnish the Government as early as possible with the particulars of the medical establishment, male and female, told off by him for inspection duty at Harihar and Tumkur, and he will further report to Government what arrangements he would propose for Yeswantpur.

READ :—

Correspondence ending with letter No. 2619—305, dated 3rd February 1897, from the Inspector General of Police in Mysore, suggesting that an experienced official already in the Police Department may be appointed Travelling Audit Inspector for the periodical examination of the accounts of the several District Police offices; and stating that he has no objection to the accounts of his office being audited by an Inspecting Officer from the Comptroller's office.

No. 9526-57—J. 1097, DATED, BANGALORE, 17TH FEBRUARY 1897.

ORDER THEREON.—Government observe that what is now required is a system of outside audit which, when introduced, should, if possible, include the Police as well as the other departments. A separate Auditor for each department seems unnecessary, as a travelling audit staff, if sufficiently strong, can examine the accounts of all offices alike.

2. The Comptroller will be requested to state, in consultation with the Heads of Departments concerned, what modifications, if any, he would suggest in the scheme submitted by him with his Memorandum of the 5th September 1893. Final orders will be passed on receipt of the report now called for.

Correspondence ending with letter No. 469, dated the 4th February 1897, from the Inspector General of Registration in Mysore, *re* the assignment of Lock-up and Magisterial work to all the Special Sub-Registrars in the province.

No. 9586-96—J. 1108, DATED, CAMP MYSORE, 18TH FEBRUARY 1897.

ORDER THEREON.—On the general question raised in the correspondence read above, Government consider it desirable to defer action for the present and to wait for further improvement of the Sub-Registrar service. Meanwhile each case will be specially considered and disposed of on the merits. The Government have no objection, however, to Ramaswamiengar, B. A., Sub-Registrar of Anekal, being appointed Officer in charge of the Taluk Lock-up at that station as specially recommended by the Inspector General of Prisons in his letter No. 189—J., dated 25th August 1896.

2. A Notification will be issued providing for the insertion of the words "Specially selected Sub-Registrars" after "Deputy Amildar" and before "or the Sheristadar" in para 35 of Lock-up Rules.

READ THE FOLLOWING PAPERS :—

1. Notification by the Government of India, Foreign Department, No. 507—I., dated 6th February 1896.

Whereas H. H. the Maharaja of Mysore has ceded to the British Government full jurisdiction within the lands in his territory (including the lands occupied as stations, out-buildings and for other railway purposes), which are occupied or may be hereafter occupied by the following lines of railway in the Mysore State, namely: (1) the Bangalore Branch of the Madras Railway; (2) the Mysore State Railway from and inclusive of the Haribar Railway Station to and inclusive of the Bangalore Railway Station; (3) from and inclusive of the Yeswanthpur Junction Railway Station to the frontier of the State on the Bangalore-Hindupur Section of the Mysore State Railway; and (4) the Kolar Gold Fields Railway: in exercise of this jurisdiction and of the powers conferred by Sections 4 and 5 of the Foreign Jurisdiction and Extradition Act, 1879, and of all other powers enabling him in this behalf the Governor-General in Council is pleased to issue the following orders :—

PART I.

All laws for the time being in force in the Civil and Military Station of Bangalore shall be deemed to be in force in the aforesaid lands :—

Provided that notwithstanding anything in the Code of Criminal Procedure (Act X of 1882) or the Police Act (V of 1861) or in any other enactment for the time being in force, the Governor-General in Council may confer on any Police Officer all or any of the powers conferred or conferrable by or under the Code on any Magistrate, in regard to particular cases or to a particular class or particular classes of cases or to cases generally.

PART II.

For the purposes of the exercise of criminal jurisdiction within the aforesaid lands, the Governor-General in Council is pleased to make the following arrangements :—

(1) There shall be a Railway Magistrate, who shall be the District Magistrate of the Civil and Military Station of Bangalore.

(2) The Railway Magistrate shall have the powers of a District Magistrate, as described in the Code of Criminal Procedure.

(3) There shall be a Superintendent of Railway Police, who shall be such person as the Governor-General in Council may from time to time appoint in that behalf.

(4) The Superintendent of Railway Police shall have the powers of a District Superintendent of Police as described in Act V of 1861, and the ordinary powers of a Magistrate of the first class with summary powers as described in the Code of Criminal Procedure.

(5) The Resident in Mysore shall have the powers of an Inspector General of Police and of a Local Government as described in Act V of 1861.

(6) The First Assistant to the Resident in Mysore shall have the powers of a Court o Session, as described in the Code of Criminal Procedure, in respect of all offences over which magisterial jurisdiction is exercised by the Railway Magistrate or the Superintendent of Railway Police.

(7) The Resident in Mysore shall have the powers of a High Court, as described in the Code of Criminal Procedure, in respect of all offences over which the jurisdiction of a Court of Session is exercised by the First Assistant to the Resident and for all purposes whatsoever connected with the administration of criminal justice.

(8) This part of this Notification applies to all proceedings except —

(*a*) proceedings against European British subjects or persons jointly charged with European British subjects ; and

(*b*) proceedings pending at the date of this Notification which should be carried on as if this Notification had not been issued.

PART III.

For the purposes of the exercise of civil jurisdiction within the aforesaid lands, the Governor-General in Council is pleased to make the following arrangements :—

(1) There shall be two Courts of Small Causes, the first with jurisdiction in all suits cognizable under Act IX of 1887, when the amount or value of the subject-matter does not exceed five-hundred rupees, and the second when the amount or value of the subject-matter does not exceed fifty rupees.

(2) The District Judge of the Civil and Military Station of Bangalore shall be the Judge of the First Court, and the Superintendent of Railway Police shall be the Judge of the Second Court.

(3) There shall be a District Court having the powers of a District Court as defined in Section 2 of the Code of Civil Procedure and with jurisdiction in all original suits, whatever be the amount or value of the subject-matter, and in all other cases in which jurisdiction is conferred on the District Court by any law for the time being in force in the aforesaid lands.

(4) The District Judge of the Civil and Military Station of Bangalore shall be the Judge of the District Court.

(5) Appeals shall lie subject to the provisions of the enactments for the time being in force in the aforesaid lands against the decrees and orders of the District Court, to the Resident in Mysore, who shall exercise the powers of an Appellate Court as defined in the Code of Civil Procedure.

(6) Subject to the provisions of the said enactments, the Resident in Mysore shall exercise the powers of a High Court for all purposes whatsoever connected with the administration of civil justice within the aforesaid lands.

PART IV.

(5) The Notification by the Government of India in the Foreign Department No. 292—I., dated the 5th February 1883, is hereby cancelled.

READ:—

Letter No 4056—174, dated 25th January 1897, from the Registrar of the Chief Court of Mysore, submitting Report on the Administration of Criminal Justice in the Province of Mysore for the year 1895-96.

No. 9773—J. 1132, DATED, BANGALORE, 27TH FEBRUARY 1897.

ORDER THEREON.—The number of Criminal Courts in the province, besides the Chief Court, remained at 142, presided over by three Sessions Judges, eight District Magistrates, four Sub-Divisional Magistrates and 127 Subordinate Magistrates. The number of courts possessing appellate powers was 17.

2. The receipts and charges of courts during the last two years are as shown below:—

	1894-95.	1895-96.	
	Rs.	Rs.	
Receipts ..	86,501-9-9	85,815-2-5	(Inclusive of Rs. 795-1-0, receipts of Chief Court.)
Charges ...	2,68,642-10-1	2,87,376-11-6	(Exclusive of the cost of the Chief Court.)

Under "Receipts" there was a decrease of Rs. 6,100-8-9 in the three districts of the Nundydroog division and of Rs. 99-7-0 in the Chief Court, while in the Ashtagram and Nagar divisions there was an increase of Rs. 5,513-8-5. The somewhat large increase under "Charges" is due to the increased pay of Magistrates.

3. The number of offences reported, *viz.* 17,443, was in excess of that for 1894-95 by 713. Of these 14,016 or 80·35 per cent were returned as true and 13,729 were brought to trial. The number of persons who were under trial during the year, including 876 pending from previous year, was 29,951. The number of persons charged with offences against the human body was, as usual, the most numerous being 12,929; this was, however, less than the number for the year previous by 336. The number of persons charged with offences against property was 5,324 or 363 more than during the last year. It is observed that there was a larger number of thefts reported during the year under review than in the previous year in all the districts except Kadur and Chitaldrug; and that out of 2,837 cases reported, only 1,538 or 54·21 per cent were returned as true.

4. The number of persons under trial before the several kinds of Criminal Courts other than Courts of Session, was as follows:—

Subordinate Magistrates	25,777
Sub-Divisional do	37
District do	134
Total ...	25,948

These were disposed of as follows :—

Died, escaped or transferred	...	...	5
Discharged or acquitted	...	...	17,820
Convicted ...	...	...	6,698
Committed or referred	...	...	302
		Total ...	24,825
Pending at the end of the year	...	...	1,123

Out of 13,185 original criminal cases disposed of, involving 25,948 persons as above stated, 13,117 or 99·48 per cent were disposed of by Subordinate Magistrates, 25 or ·18 per cent by Sub-Divisional Magistrates and 43 or ·32 per cent by District Magistrates. It will thus be seen that the bulk of the criminal work devolved on the Subordinate Magistrates, while the four Sub-Divisional Magistrates and the eight District Magistrates, as between themselves, disposed of a very small number (68) or on an average about six cases each a year.

5. In cases before Magistrates, the percentage of acquittals and discharges to total number of persons under trial stood at 68·52, a slight decrease over that for 1894-95; while the percentage of convictions increased very slightly from 25·12 to 25·95. The convictions under "Theft" and "Receiving stolen property" were larger and those under "Grievous hurt" were much smaller than convictions for similar offences during the previous year; the fluctuations under other heads do not call for notice.

6. The average duration of trials before Magistrates rose from 5·76 to 9·42; a considerable increase, of the causes of which Government would have been glad if some information had been furnished. Of 43,576 witnesses examined, 386 were detained for four days, 1,245 for three days, 6,756 for two days, and the rest for a day. Here, again, the results as regards detention for three and four days do not compare favorably with those for 1894-95. The amount spent in defraying the expenses of witnesses was Rs. 141, or nearly double that for the previous year.

7. According to Judicial Statement No. 4, 171 persons in all were placed before District and Divisional Magistrates; of these 89 were convicted, 25 committed to the Sessions, and 57 discharged or acquitted. But according to the statement appended to para 43 of the report, there is a difference of 71 persons, the number of persons dealt with by District Magistrates being shown as 242. This great discrepancy needs explanation.

8. The number of cases committed to the Sessions was 132 involving 305 persons. Of this number, 64 cases involving 170 persons ended in acquittal, and 60 cases involving 117 persons in conviction, while the rest, *i. e.*, eight cases involving 18 persons were pending. In the two cases tried by jury, the verdict given was accepted. In 122 cases tried with the aid of assessors, the Judge agreed with both the assessors in 106, with one in 13, and with none in three cases. The average duration of cases rose slightly from 1·59 to 1·96, with a rise in the number of witnesses examined from 1,796 to 2,334.

9. Out of three cases, involving four European British subjects tried by Justices of the Peace in the Bangalore district, one case affecting one person ended in conviction.

10. The total number of miscellaneous proceedings under the Criminal Procedure Code was 264 involving 403 persons, as against 273 involving 494 persons in the year previous; and 252, as against 282, persons were convicted.

11. The punishments inflicted by Criminal Courts during the last two years are as shown below :—

	Number of persons sentenced— During 1894-95.	During 1895-96.
Death ...	6	3
Transportation ...	4	21
Rigorous imprisonment	1,160	1,339
Simple do	221	216
Fine ...	5,477	5,540
Whipping ...	104	143
Total ...	6,972	7,262

It is noteworthy that in one case of appeal and in three cases of revision, the Chief Court were compelled to enhance the sentences on the revision side, owing to the apparently inadequate sentences passed by the Subordinate Courts.

12. The fines imposed amounted to Rs. 55,171 against Rs. 59,327 in 1894-95, the percentage of realizations being 86. Compensation was paid to complainants to the extent of Rs. 2,659 and to accused persons to the extent of Rs. 81; figures which show a decrease of Rs. 173 in the former case and of Rs. 47 in the latter, over those of the previous year.

13. Turning next to the work of the Appellate Courts, it is observed that the average duration before Magistrates declined from 14·8 to 12·86, while before the Courts of Session, it rose from 9·22 to 11·07 days; the total number of appeals tried being 915 (involving 1,429 persons) as against 1,475 in 1894-95. Of the appeals actually instituted during the year, excluding those pending from last year, 756 were before the Superior Magistrates and 119 before the Sessions Courts. The percentages of reversals and modifications of sentences were 31·40 and 7·24 in the one case, and 20·00 and 15·00 in the other.

14. In the Chief Court, the number of appeals for disposal rose from 207 to 226. Out of 215 appeals actually instituted during the year, 170 or 75·22 per cent were from the Bangalore, Kolar and Tumkur districts of the Nundydroog division in which the Sessions Judge exercises no criminal appellate jurisdiction. Out of 202 appeals disposed of, the sentences were modified in 51 cases and reversed in only 24. The average duration of appeals declined from 32·90 to 28·79 days. The number of appeals that remained undisposed of was 24 against 16 in the previous year. On its revision side, records were called for by the Chief Court or submitted to it for orders in 169 cases. And the total number of calendars perused was 3,226. The results of appeal and revision in the Chief Court, in terms of the accused persons concerned, are shown below :—

Items.	Number of persons concerned.		
	In appeals against conviction.	In appeals by Government against acquittal.	In revision cases.
Total No. of persons concerned ..	333	6	312
Application rejected as regards	49	0	0
Orders confirmed „	111	3	225
Sentence enhanced „	1	0	3
Do reduced or altered by „	30	...	12
Orders reversed „	105	...	71

15. It is observed in conclusion that the figures both in the body of the report and in the statements annexed thereto have not, in many cases, been correctly entered. A separate memo showing the disagreement between the figures as entered in the returns and in the report, will be forwarded to the Chief Court for explanation.

Proceedings of the Government of Mysore.

READ :—

Docket No 535, dated 19th November 1896, from the Deputy Commissioner of the Bangalore district, submitting the revised District Fund budget estimates of the Bangalore circle for the year 1896-97 together with copies of Resolutions 1 and 2 of the Proceedings of the District Fund Board, dated 11th idem.

No. 8722-6—L. F. 88-95, DATED, BANGALORE, 1ST FEBRUARY 1897.

ORDER THEREON.—The supplemental grants proposed in the above are given below :—

		Rs.
	Increase.	
	Opening balance	15,348
	Expenditure.	
A.	Public Works to be executed by Public Works Department ...	17,866
B.	Ditto Revenue Department ...	6,468
C.	Civil Charges	2,383
	Total ...	26,717

2. The opening balance is now proposed to be raised from Rs. 18,878 to Rs. 34,226, but as the actual balance on 30th June 1896 is now certified by the Comptroller to be Rs. 36,927, the same will be entered in the present budget.

3. *A. Public Works to be executed by Public Works Department.*—(*a*) The details of provision under this head are given in the margin. The increase under "I. Original works" and "II. Repairs" is due chiefly on account of incomplete works of the past year amounting to Rs. 15,690. The provisions made will be passed.

		As sanctioned in original budget. Rs.	As provided in the revised budget. Rs.
I.	Original works ...	9,000	19,410
II.	Repairs ...	27,185	30,465
III.	Establishments ..	6,332	10,008
IV.	Tools and plant ...	200	200
V.	Reserve ...	6,815	7,315
		49,532	67,398

(*b*) *III. Establishments.*—The percentage charges payable towards the cost of establishments maintained in the Public Works Department, computed on provisions made for original works and repairs, amount to Rs. 8,728, while the Deputy Commissioner's estimate, Rs. 10,008, includes charges on the provision under "Reserve" which cannot be allowed under the existing orders. The former figure will be retained in the budget.

(*c*) *V. Reserve.*—As a separate provision is now made on account of incomplete works of the previous years, the grant proposed for "Reserve" is susceptible of reduction. It is accordingly limited to Rs. 3,000.

4. *B. Public Works to be executed by Revenue Department.*—Instead of a lump sum entered in the original budget on account of these works, the Deputy Commissioner now submits two lists, one showing new works costing Rs. 3,768 to be undertaken by departmental agency, and the other of incomplete works amounting to Rs. 10,700. The execution of these works is sanctioned and the provisions made therefor approved.

5. Details of increases provided under "Civil Charges" are given in the margin.

				Rs.
I.	Office establishment		...	78
III.	Hospitals and dispensaries—			
	Furniture	200	...	424
	Compounders	224		
IV.	Midwives		...	120
V.	Sweepers for travellers' bangalos, &c.		..	320
VI.	Conservancy and sanitary charges		...	180
VII.	Vaccination		...	25
IX.	Contributions		...	1,236
				2,383

I. Office Establishment.—The provision made under this head, which includes Rs. 53 on account of increased cost of the Dewan's office establishment and Rs. 25 on account of contingencies, is sanctioned.

6. *Hospitals and Dispensaries.*—The supplemental grant under this head is on account of the increases sanctioned to compounders of Local Fund dispensaries in Government Proceedings No. 13250-1—Mis. 1962, dated 8th June 1896, and furniture for the dispensary at Yelahanka, and is approved.

7. *IV. Midwives.*—In the original budget provision was made for only a moiety of the pay of the relieving midwife, while the whole of her pay has to be charged to the District Funds. The provision made for the remaining moiety, which is in accordance with Proceedings No. 5813-4—L. F. 116-96, dated 21st November 1896, is sanctioned.

8. *Sweepers for Travellers' Bangalos.*—Provision made for the purchase of vessels for musafirkhanas and for the establishments of inspection lodges situated on the District Fund roads accounts for the increase under this head, which is passed.

		Increase. Rs.	Decrease. Rs.
1.	Vessels to musafirkhanas	245	...
2.	Channapatna travellers' bangalo raised from III to II class	...	165
3.	Tavarekere musafirkhana ...	60	...
4.	Kaggalahalli	60	...
5.	Vadavatta	60	...
6.	Satnur	60	...
	Total ..	485	165
	Net increase ...	320	...

9. *Vaccination.*—The increase of Rs. 25 entered under this head is stated to be on account of "Batta to Deputy Inspector of Vaccination". As his pay is met from Provincial Funds, his batta should also be debited to the same funds. But if it is on account of batta to the Deputy Inspector's peon, who is paid from District Funds, the charge is properly debitable to the latter funds. Pending information, the estimate will stand.

10. *IX. Contribution.*—A sum of Rs. 1,236 is provided under this head on account of contribution payable from District Funds for the three years ending 30th June 1897 to the Municipality of Bangalore towards the cost of Arlepete dispensary. As the correct amount to be entered is Rs. 1,232, the provision will be reduced accordingly.

11. The budget estimates of receipts and expenditure of the District Fund of the Bangalore circle for 1896-97 are as per details given in the accompanying appendices, of which an abstract is given below :—

		Rs.
1.	Opening balance on 1st July 1896	36,927
2.	Estimated receipts for 1896-97	70,750
	Total including balance ...	1,07,677
3.	Estimated expenditure for 1896-97 —	
	(*a*) A. Public Works to be executed by Public Works Department 61,803	93,068
	(*b*) B. Ditto by Revenue Department 14,468	
	(*c*) C. Civil Charges 16,797	
	Estimated closing balance ...	14,609

12. The balance is still less than the prescribed minimum by Rs. 3,079. Every endeavour should be made to raise the balance by effecting savings in the sanctioned allotments.

READ :—

Letter No. 510—7, dated 5th December 1896, from the Deputy Commissioner of the Tumkur district, submitting for sanction the supplemental District Fund budget estimates of the Tumkur circle for 1896-97.

Letter No. 539, dated 16th December 1896, from the same Officer.

No. 8873-7—L. F. 90-95, DATED, BANGALORE, 5TH FEBRUARY 1897.

ORDER THEREON.—An abstract of the supplemental estimates proposed in the above is given below :—

		Rs.	Rs.
Opening balance			23,735
EXPENDITURE.			
A. Public Works to be executed by Public Works Department.			
I. Original works		4,784	
II. Repairs		1,235	6,750
III. Establishments		713	
V. Reserve		18	
B. Public Works to be executed by Revenue Department.			
V. Reserve		4,717	4,717
C. Civil Charges		6,407	6,407
Total expenditure ...			17,874

2. The increase under "Opening balance" is due to the actual balance on 1st July 1896 having been now entered instead of the rough estimate, which did not include lapses at the end of the year 1895-96. The figure which is in accordance with the Comptroller's accounts will be adopted in the sanctioned budget.

3. Lists of original works and repairs for which provision has now been made under "A. Public Works" are approved and the allotments made therefor passed. An increase of Rs. 713 is provided under establishment charges on account of the supplemental grants now applied for. The correct amount at 17½ per cent on the additional grant of Rs. 6,019 being Rs. 1,053, the provision will be raised from Rs. 7,952 to Rs. 8,292.

4. *Public Works to be executed by Revenue Department.*—With reference to the supplemental grant applied for under this head, the Deputy Commissioner states that a sum of Rs. 11,000 is actually required for the completion of the works which remained incomplete in the past year and that as full provision cannot be made for them during the current year, only Rs. 8,000 have been entered for some of the incomplete works and for urgent new works. The provision will be passed, but as funds are available, steps should be taken to complete the incomplete works during the current year and to submit a detailed statement of such works with proposals to meet the cost by a re-appropriation of the sanctioned grants or by a supplemental grant.

5. The details of additional grants under Civil Charges are shown under :—

		Rs.
I. Office establishments		37
III. Hospitals and dispensaries		289
IV. Midwives		200
V. Sweepers for travellers' bangalos		800
IX. Contributions		5,081
Total ...		6,407

6. *Office Establishment.*—The increase under this head on account of increased cost of establishments in the Dewan's office is in accordance with Proceedings No. 3424-35—L. F. 12-92, dated 9th September 1896, and is passed.

7. *III. Hospitals and Dispensaries.*—The increase under this head is due to the provisions newly made for watermen in certain Local Fund dispensaries for cooking food for in-patients and for increase of pay to compounders of the several Local Fund dispensaries, sanctioned in Government Proceedings No. 13250-1—Mis. 1962, dated 8th June 1896. The estimates proposed are passed.

8. *IV. Midwives*—A provision of Rs. 200 newly made in the present budget on account of the salary (Rs. 15) and travelling allowance of the relieving midwife sanctioned in Proceedings No. 8274-83—L F. 55-93, dated 21st January 1896, accounts for the increase under this head, which will be passed, subject to the submission of a separate reference showing the date of appointment of the midwife and the rate of pay actually allowed to her.

9. *V. Sweepers for Travellers' Bangalos.*—The additional grant of Rs. 800 entered under this head is said to be required in order to meet the cost of vessels to be supplied to some of the musafirkhanas and of the pay of care-takers, who will have to be employed in certain musafirkhanas, which have been completed. The estimate will be allowed to stand, but no expenditure should be incurred pending the issue of final orders on a separate reference promised by the Deputy Commissioner in regard to the cost of vessels required and the names of new musafirkhanas for which sweepers have to be entertained.

10. *IX. Contributions.*—Provisions have been newly made in the present budget on account of contribution towards the cost of constructing a female dispensary at Tumkur and quarters for the Hospital Assistant in charge thereof; and the cost of in-patient wards to be attached to the several Local Fund dispensaries. This accounts for the increase under this head, which is passed.

11. The estimated receipts and expenditure as now revised will stand as per details given in the accompanying appendices, of which an abstract is given hereunder:—

READ.—

Letter No. 1050, dated 4th January 1897, from the Deputy Commissioner of the Mysore district, submitting the District Fund budget estimates of the Mysore circle for 1897-98.

No. 9607-11—L. F. 256-96, DATED, BANGALORE, 22ND FEBRUARY 1897.

ORDER THEREON.—The estimates received with the above are sanctioned, subject to the following modifications and remarks.

(1) *A. Public Works.*—The provision made on account of establishment charges for the supervision of works to be executed by the Public Works Department is slightly in excess of the scale allowed therefor and will therefore be reduced from Rs. 8,200 to Rs. 7,127, which is 17½ per cent on the estimate for original works and repairs amounting to Rs. 40,725.

(2) The large provision of Rs. 6,500 under "A. Reserve" will be allowed to stand, subject to previous sanction being obtained for appropriations therefrom in the Public Works Department.

CIVIL CHARGES.

(3) *I. Office Establishment.*—The increase under this head is due to the provision newly made on account of the marginally noted items already sanctioned by Government. The correct total of the details under office establishment is Rs. 829 and not Rs. 799 as given in Enclosure D and the budget statements received from the President. The estimate will accordingly be raised by Rs. 50.

	Rs.
1 Increase to the pay of the Local Fund clerk ...	60
2 Permanent employment of a 2nd clerk ...	180
	240

(4) *III. Hospitals and Dispensaries.*—The following increases and new charges have been entered in the present budget.

		Rs.
1	(*a*) Increase of pay to establishments attached to Her Highness the Maharani's Hospital...	165
	(*b*) Medicines to ditto ...	35
	(*c*) Clothing to ditto ...	100
2	Increase to compounders of Local Fund dispensaries	228
3	House rent	100
4	New dispensaries at Periyapatna, Saligram and Bannur	1,440
5	Purchase of furniture for ditto	283
6	Feeding charges of dispensaries including those to be established newly ...	460
7	Grant-in-aid to Krishnajattappa's dispensary at Mysore	240
	Total ...	3,051

Item 1 will be allowed to stand, pending the submission of details for the increase proposed in the present budget.

Item 2.—The increase allowable under Proceedings No. 13250-1—1962, dated 8th June 1896, to compounders attached to the institutions maintained from Local Funds, comes to Rs. 69 per mensem, while the amount entered in the present budget, *viz.* Rs. 228, gives a sum of Rs. 19 only per mensem. The President is requested to submit a statement showing the several medical institutions, the compounders of which are allowed the aggregate increase of Rs. 69 referred to. Pending the issue of final orders on receipt of such statement, the provision made will be allowed to stand. Pending the receipt of the report promised, the provision of Rs. 100 newly made on account of house rent will likewise stand.

Items 4 *and* 5 will be retained subject to the submission of separate proposals for the establishment of new dispensaries at Periyapatna, Saligram and Bannur.

Item 6.—The increase of Rs. 460, which is in accordance with Proceedings No. 5876-85—L. F. 112-95, dated 23rd November 1896, is passed, but the extra allowance of Rs. 93 hitherto granted for the marginally noted three dispensaries will be struck out.

	Rs.
Hunsur ...	35
Nanjangud ...	50
Gundlupet ...	8
Total ...	93

IV. Midwives.—The provision newly made for the relieving midwife recently sanctioned and for a midwife for the Mysore taluk as well as for scholarships to two midwifery pupils accounts for the increased expenditure proposed under this head.

V. Sweepers for Travellers' Bangalos and Musafirkhanas.—The details under this head are given in the margin.

	Rs.
1 Pay of sweepers	1,440
2 Contingencies of the musafirkhanas ...	144
3 Cooking vessels	296
Total ...	1,880

Item 1, *Pay of Sweepers.*—The correct total of salaries of sweepers of bangalos and musafirkhanas as entered in Enclosure E is Rs. 1,500 and not Rs. 1,440 as therein given. The latter figure does not probably include the salary of the sweeper attached to the bangalo at Kakankote, which has been raised to 2nd class and of which the charge is payable from the Provincial budget. The latter figure will be inserted in the budget and Kakankote bangalo will be removed from the list of III class bangalos.

VI. Conservancy and Sanitary Charges.—In view to particular attention being paid to village sanitation, an increase of Rs. 500 is provided under this head.

IX. Contribution.—The increase under this head is due to the provision made in the present budget for the payment of contribution towards the cost of dispensary buildings to be erected at Sargur and Hunsur and of in-patients' wards to be constructed at Yedatore and T. Narsipur.

X. Miscellaneous.—Under this head a provision of Rs. 780 made for commission to pound-keepers is stated to have been calculated at 5 per cent on the receipts from cattle-pounds, which are entered on the side of receipts as Rs. 3,907. Five per cent on this amount is only Rs. 195 or Rs. 585 less. The discrepancy requires explanation, pending which the provision will be allowed to stand.

	Rs.
1 Fines	2,424
2 Sale of stray cattle ...	1,483
Total...	3,907

The other items call for no remarks.

The budget estimates as above sanctioned are shown in the accompanying appendices, of which an abstract is given below :—

READ :—

Docket No. 870, dated 15th December 1896, from the Deputy Commissioner, Kadur district, stating, with reference to Government Proceedings No. 4610-12—L. F. 60-96, dated 3rd October 1896, that the existing District Fund budget items do not admit of any re-appropriation being made to meet the cost of the incomplete works of last year, amounting to Rs. 1,911, sanctioned in the above proceedings, and soliciting orders for a supplemental grant.

No. 9707-9—L. F. 95-95, DATED, BANGALORE, 24TH FEBRUARY 1897.

ORDER THEREON.—The opening balance on 1st July 1896 has been raised from Rs. 11,490 entered in the District Fund budget for 1896-97 to Rs. 16,570, or by Rs. 5,080, as per Comptroller's District Fund Accounts, resulting in a corresponding increase in the estimated closing balance for 1896-97 from Rs. 15,425, to Rs. 20505, which latter figure is in excess of $\frac{1}{4}$th of the annual income by Rs. 7,090. Under these circumstances, the Deputy Commissioner's proposal to treat the cost of the incomplete works sanctioned in the proceedings above quoted as supplemental grant for the current year is approved.

2. The closing balance after deducting the above charge will be Rs. 18,594.

C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.

To—The Deputy Commissioner, Kadur District.
The Comptroller in Mysore.
The Secretary to the Government of Mysore in the Public Works Department.

READ AGAIN :—

Letter No. 993, dated 14th December 1896, from the Deputy Commissioner of Mysore, submitting for sanction a statement showing certain modifications in the District Fund budget grant of the Mysore circle for 1896-97 under the head "Public works to be executed by Public works Department."

READ :—

Letter No. 1218, dated 30th January 1897, from the same Officer re-submitting the above statement duly revised with reference to the remarks contained in Government Proceedings No. 8304—L. F. 91-95, dated 22nd idem.

No. 3722-4—L. F. 91-95, DATED, BANGALORE, 25TH FEBRUARY 1897.

ORDER THEREON.—The modifications proposed in the statement received with the second of the letters read above involve no extra charge and are sanctioned. These modifications will be duly communicated to the Comptroller and the Chief Engineer.

The provision of Rs. 200 should have been Rs. 240 at the rates specified.

By a mistake the whole length of the road was treated by the Board as if within municipal limits and provision omitted in the sanctioned budget.

Letter No. 312, dated 11th January 1897, from the President of the Mysore City Municipality, submitting a copy of the resolution of the Municipal Board recommending the levy of octroi duty on kerosine oil at two annas per tin or its equivalent per gallon.

No. 8776-7—L. F. 323-92, DATED, BANGALORE, 3RD FEBRUARY 1897.

ORDER THEREON.—The proposal of the Board to introduce octroi duty on kerosine oil, into the Municipality of Mysore at two annas per tin or at a proportionate rate per gallon, is sanctioned.

(2) The President is requested to state the date from which the duty will be levied and to submit a supplemental budget showing on the side of receipt, the probable revenue that may be realized during the remaining portion of the current year and on the side of expenditure, the cost of additional establishment, if any, which may be considered absolutely necessary for the collection of the duty.

Letter No. 1478, dated 18th January 1897, from the Comptroller in Mysore.

I have the honor to bring to your notice that in accordance with Rule IV, laid down in Government Proceedings No. 6227-39—L. 429, under date the 24th August 1891, the amounts retained by the pound-keepers out of their collections made by them, to meet the charges of feeding the impounded cattle, are debited to advances both in the Treasury and Municipal accounts. As the sums thus retained every month are only small in several municipalities and no cheques can be issued by the Presidents for less than Rs. 10, these advances necessarily remain unadjusted in the accounts of this office for many months, which is very undesirable.

As the account in the Treasury is purely a banking account, details of such advances cannot be insisted upon and their adjustments, therefore, cannot be properly watched.

With a view, therefore, to relieve the Treasury Department of such unnecessary work and to curtail the number of advance items in the accounts of my office, I have to request that the procedure prescribed in the Proceedings above referred to may kindly be altered. I would suggest in lieu thereof that the entire collections from pounds may be remitted to the Treasury for credit, the amount required for feeding charges being paid by the Vice-Presidents from their imprests. Under this system the Vice-President, who is now responsible for the imprest held by him, will find it necessary to take prompt steps to obtain bills from the several pound-keepers and recoup the amount so advanced from his imprest, in doing which a general laxity now prevails more or less throughout the province.

No. 9141-75- -L. F. 234-92, DATED, BANGALORE, 12TH FEBRUARY 1897.

ORDER THEREON.—In lieu of Rule IV of the Rules relating to Municipal Accounts, laid down in Proceedings No. 6227-39—L. 429, dated 24th August 1891, the following shall be substituted:—

"IV. The entire collections from pounds shall be remitted to the Treasury "for credit, no deductions being made therefrom by pound-keepers "on account of charges for feeding cattle. All sums required for the "latter purpose shall be advanced from the imprests held by Vice-"Presidents, who should take prompt steps to obtain detailed bills of "charges from the pound-keepers concerned and to recoup the advances "so made.

Letter No. 374, dated 9th February 1897, from the President of the Mysore City Municipality, requesting permission for closing all old wells not in use and for building public latrines in Ittigegud, and stating that, at the instance of the Senior Surgeon, the Municipal Engineer will be sent to the Civil and Military Station, Bangalore, to inspect the new U-drains constructed there.

No. 153—L. F. 267-96, DATED, CAMP MYSORE, 16TH FEBRUARY 1897.

ORDER THEREON.—The attention of the President will be drawn to Sections 164 and 170 of the Municipal Regulations, with the observation that, under the provisions of the latter section, the President is competent to cleanse, fill up or drain all receptacles of stagnant water not being within any private enclosure, which shall appear to the President likely to prove injurious to the health of the inhabitants of Ittigegud. No special order of Government seems necessary in this respect. The President will also induce the owners of other private wells containing stagnant or unwholesome water, either to close such wells altogether or to desist from using the water thereof. Early steps should be taken for the supply of such additional stand-pipes as may be necessary and to induce the inhabitants of Ittigegud to utilize the same in preference to the use of wells.

2. The early submission of the estimates for the erection of public latrines, promised, will be awaited. Where the work is urgently called for, on sanitary grounds, the same should be carried out at once, in anticipation of the sanction of Government and a report submitted.

3. The proposal to send the Municipal Engineer to the Civil and Military Station of Bangalore to study the construction of U-drains, is approved.

ORDER THEREON.—The delay of nearly nine months, which has occurred in the taluk in the disposal of this matter, is very objectionable and the Amildar has rendered himself liable to be reprimanded, unless he can explain the delay satisfactorily. His explanation must be obtained and submitted. The Deputy Commissioner's recommendation is sanctioned, upon the understanding that the full assessment of the survey numbers will continue to be paid by the holders concerned. The Deputy Commissioner is, however, requested to point out to Mr. Mockett or his agent, that such acts of unauthorized appropriation of Government assessed land, as that brought to notice in the present case, are liable to be dealt with under the penal provisions of the Land Revenue Regulations.

6. Docket No. 329, dated 20th November 1896, from the Deputy Commissioner of the Kadur district.
7. Docket No. 377—346, dated 11th November 1896, from the Deputy Commissioner of the Chitaldrug district.

No. 7054-62—R. F. 175-92, DATED, BANGALORE, 5TH FEBRUARY 1897.

ORDER THEREON.—The Deputy Commissioner of the Bangalore district reports that the sale of kuranga stones was held in the Dodballapur and Nelamangala taluks, and the amount fetched thereof was Rs. 386 or Rs. 544 less than in last year, there being no stones in the remaining taluks.

2. The Deputy Commissioner of the Kolar district states that kuranga stones, which were only procurable in 1896-97 in the Goribidnur taluk, were sold for Rs. 251, and that there was no sale held in other taluks of his district.

3. In the Tumkur district, the amount realized by the sale of kuranga stones is Rs. 310. In the Chiknayakanhalli taluk, no bids are stated to have been received, while in the Gubbi and Kunigal taluks the stones remained unsold.

4. From the report of the Hassan Deputy Commissioner, it appears that a sum of Rs. 198-8-0 was realized by the sale of the stones in the marginally noted five taluks.

Letter No. 532, dated 14th December 1896, from the Deputy Commissioner, Hassan district, soliciting sanction to the appropriation, for coffee cultivation, of 6 acres and 25 guntas of gomal land out of Survey No. 145, measuring 7 acres and 29 guntas, in the Kadabagal village, Alur sub-taluk, and stating that, as the villagers object to the grant of the land on the ground that it is situate close to a tank and is used as their cattle-stand, it is considered necessary to reserve 1 acre and 4 guntas of land for cattle-stand and the temples standing thereon and to grant the rest for cultivation.

No. 7250-51—R. F. 10-96, DATED, BANGALORE, 9TH FEBRUARY 1897.

ORDER THEREON.—The appropriation, for coffee cultivation, of 6 acres and 25 guntas of the land referred to, is sanctioned, the same being disposed of under the Coffee Rules.

2. Government note that there has been a delay of four years in the disposal of this simple matter. Three separate darkhasts were received for the land in question between November 1891 and June 1892. Some of the villagers then opposed the applications, while others agreed to a portion of the land being given out for cultivation, provided another land was given to them in lieu thereof. The Deputy Commissioner, on receipt of the Amildar's report, ordered, in September 1892, that the darkhasts should be rejected and that the question of granting the land for coffee cultivation might be considered when applications were received therefor. In October 1892, one of the former applicants again applied for the land in question for coffee cultivation and paid the usual deposit money. Without obtaining a fresh mahazar, the Amildar solicited orders for the sale of the land and the Deputy Commissioner called for further information with reference to the Amildar's report on the previous darkhasts. Instead of submitting the report called for and obtaining the final orders of the Deputy Commissioner, the Amildar issued a notice regarding the sale of the land. Thereupon, *i. e.*, in December 1892, the villagers began to complain of the same. From this date up to March 1896, correspondence was prolonged for the simple purpose of deciding whether the land applied for should be given out for cultivation or not, and at last the Jamabandi Officer, after a personal inspection of the land, arrived at the conclusion that a portion of the number as now recommended, might be given out for cultivation and the rest reserved for cattle, &c.

3. The manner in which much unnecessary correspondence was carried on in this case is not satisfactory, and the Deputy Commissioner is requested to see that such delays do not recur in future.

The Superintendent of Revenue Survey in Mysore, with copy of gomal statement.

No. 7338-46—R. 2451, DATED, CAMP MYSORE, 14TH FEBRUARY 1897.

ORDER.—It is a long established and well understood rule that no private rights of any kind should be allowed to spring up within the beds of tanks in action, but it is believed that local Revenue authorities have, notwithstanding, sometimes allowed themselves to be persuaded to grant occupancy rights within tank beds.

2. This cannot be tolerated. It will cause infinite mischief. When once an exception is made, applications will come in from all sides for a similar concession. The rule must, therefore, be strictly enforced as a *hard* and *fast* one, and any departure from it should be forthwith cancelled as illegal and opposed to para 10 of Rule XX of the Mysore Land Revenue Rules, and severe notice taken of the conduct of the Officers concerned.

3. Under the rule cited above, the Deputy Commissioner may, in exceptional times of drought, allow the cultivation of dry tank beds *for a season*, but this should be done wholly upon public grounds and when actual drought exists.

4. It has been brought to the notice of Government (1) that in the bed of the Tyamagondlu Hirikere tank in the Nelamangala taluk, a large slice of land was granted for occupation to one Puttegauda in 1892, and (2) that the Chief Engineer's permission was obtained, by the Deputy Commissioner of Bangalore in December 1896, for the cultivation of the Bhadrankere bed. The circumstances which led to such action on the part of the Deputy Commissioner are being enquired into. The Deputy Commissioners of districts are requested to report at once whether there have been similar cases of the creation of occupancy rights in tank beds in their districts, and, if so, to submit information in the accompanying form regarding them.

No. 4217-19—R. F. 340-92-93, dated 1st November 1895.

ORDER THEREON.—The reports and statements submitted by the Deputy Commissioners of Kadur and Hassan with the letters read above, will be forwarded to the Superintendent of Revenue Survey for information.

2. The Superintendent, Revenue Survey, is requested to take steps during the ensuing field season to re-classify and re-assess all cardamom estates in situations unfit for coffee owing to either excessive rainfall or exposure. To estates or portions of estates under such disadvantageous conditions, the maximum rates of assessment for coffee lands are inapplicable and they should be charged with reasonable rates of reduced assessment not less than 8 annas per acre, prescribed under para 3 of Coffee Rules for "very poor lands or lands which have greatly deteriorated in their condition". The Superintendent is not expected to re-classify every cardamom estate as a matter of course or the whole of an individual estate, a portion of which alone is poor or unfit for coffee. It will be sufficient for all practical purposes of the relief contemplated, to apply the reduced rates of assessment as above directed where the need for the same really exists in his opinion. The Government desire to bring the revised settlement into effect during the current year and the Superintendent is requested to submit definite proposals in time to enable the Government to accord its sanction to the same before the commencement of this year's collection season.

READ ALSO:—

Letter No. 245, dated 4th October 1896, from the Superintendent of Revenue Survey in Mysore.

With reference to Proceedings of the Government of Mysore, Order No. 4217-19—R. F. 340-92-93, dated 1st November 1895, directing relief to be granted, on certain principles, to the owners of cardamom estates in exposed situations and therefore unfit for the proper cultivation of coffee, I have the honor to report as follows.

2. After a lengthened but unavoidable correspondence with the respective Deputy Commissioners, I have obtained definitely from those Officers lists of the estates, as comprised in survey numbers, to which in their opinion relief should be extended. I quite agree with the Deputy Commissioners in the selection which they have made of estates requiring relief and I now beg to attach a statement marked A which clearly shows my proposed method of dealing with these estates. It is nothing more or less than to adopt an 8 anna rate per acre all round on the full area of each survey number, but with the proviso that the holder is not on this to pick and choose and resign parts of a survey number. In only one case have I proposed anything different from this, *viz.*, in the case of S. No. 3 of Madaba which contains only 3 acres of cultivable land, all the rest being "Kharab". The 8 anna rate all round in this case instead of affording relief, would entail enhanced assessment.

3. In the case of S. Nos. 29 and 36 of Gulganjimane, special orders are necessary. These survey numbers now pay the permanent rate of Rs. 1-8-0 per acre and I presume that unless the holder agrees to hold on terminable rates he cannot receive any concession.

4. It will be observed that the very liberal concession involved in the present measure entails upon Government only the annual loss of Rs. 4,619. I think that the estates which I have included in the list fairly come under para 3 of the Coffee Rules. They are situated on or near the Ghats and if coffee can be grown at all, it must always be at great disadvantage.

5. The list of estates requiring relief is very small and will show at a glance the mode of granting and the amount of relief in each case. I shall feel much obliged by such early sanction to my proposals as Government may be able to give, so that I may let the Deputy Commissioners have the statement on which to collect the reduced assessment, in good time during the current year.

Enclosures are herewith returned.

The Superintendent of Revenue Survey proposes to assess the full area of each of the above survey numbers at 8 annas per acre all round, provided that the holder thereof will not hereafter select and resign parts of a survey number. S. No 41 P. of Madaba, in which only an extent of 3 acres is under actual cultivation, while the rest, *viz.*, 13 acres and 38 guntas, is kharab, must be made an exception to the foregoing rule, as otherwise the present assessment will be considerably enhanced. As regards S. Nos. 29 and 36 of Gulganjimane, which are now assessed at the permanent rate of Rs. 1-8-0 per acre, the Survey Superintendent is of opinion that the holder thereof cannot be shown any concession unless he agrees to hold the same on terminable rates.

2. The proposals involving as they do a loss of revenue to the extent of Rs. 4,619, are on the whole quite fair, and will be given effect to from the current year. If the holder of any survey number, excepting S. No. 41 P, applies for its subdivision with a view to the inferior portions thereof being resigned, the present rate should be re-imposed on the portions to be retained. In the case of S. Nos. 36 and 29 above referred to, the concession will be subject to the condition that the occupant agrees to the change of tenure from *permanent* to *terminable.*

C. SREENIVASIENGAR,

The Deputy Commissioners of the Hassan and Kadur Districts.

READ :—

Government Proceedings No. 5934-42—R. 2315, dated 7th January 1896, requesting the Deputy Commissioners to report how they would divide the year for the purpose of rainfall registration, so as to make the average rain-fall in any half year indicate the condition of the agricultural season of that half year.

2. Reply to the above, received from the Deputy Commissioner, Bangalore district, with his No. 1144, dated 26th May 1896.

3. Ditto, Kolar district, with No. 4436—1227, dated 25th May 1896.

4. Ditto, Tumkur district, with No. 661, dated 11th February 1896.

5. Ditto, Mysore district, with No. 921, dated 31st January 1896.

6. Ditto, Hassan district, with No. 951, dated 21st April 1896.

7. Ditto, Shimoga district, with No. 1000—728, dated 12th March 1896.

8. Ditto, Kadur district, with No. 656, dated 21st March 1896.

9. Ditto, Chitaldrug district, with No. 624—355, dated 29th January 1896.

10. Docket No. 5322—R. 1789, dated 9th December 1896, to the Director of Meteorology to the Government of Mysore, requesting him to furnish the Government with any remarks he may wish to make on the subject.

11. Letter No. 14, dated 21st December 1896, from the Director of Meteorology, submitting his proposal in the matter.

"In returning herewith the file of correspondence from the Deputy Commissioners of the several districts of the province forwarded with your docket No. 5322—R. 1789, dated 9th December, relative to the division of the year for the purpose of rainfall registration, so as to make the average rainfall in any half year indicate the condition of the agricultural season of that half year, I have the honor to make the following observations.

I have read and made an abstract of the remarks and suggestions of the eight Deputy Commissioners and find, as was to be expected, considerable diversity of opinion. The several proposals for the division of the year may be divided into four classes, which, for convenience of reference, I have called *A B C* and *D* and there is no great preponderance of opinion in favor of any one of these.

Proposal A is for the division of the year into two equal periods—

(1) April to September, and
(2) October to March.

This is favored by the three Deputy Commissioners of *Bangalore*, *Kolar* and *Shimoga*.

Proposal B is for the division of the year into two unequal periods—

(1) March to September (7 months), and
(2) October to February (5 months).

This is favored by the two Deputy Commissioners of *Tumkur* and *Mysore*.

Proposal C is for the division of the year into two equal periods—

(1) March to August, and
(2) September to February.

This is favoured by the three Deputy Commissioners of *Hassan*, *Kadur* and *Chitaldrug* and also by the Assistant Commissioner of the Shimoga district, whose opinion has been forwarded by the Deputy Commissioner.

Proposal D is for the ordinary division of the calendar year into two equal parts—

(1) January to June, and
(2) July to December.

This view is not advocated by any Deputy Commissioner, but is stated by the Deputy Commissioner of Bangalore to be advocated by some Amildars and others whom he had consulted. In order to ascertain how each of these proposals would correspond with the rainfall for each district, a reference may be made to page 30 of my Rainfall Report for 1894, where the mean monthly rainfall for the past 25 years is tabulated for each of the districts.

On next page an abstract of the results is given for convenience. It will be seen that proposals *A* and *B* do not appreciably differ, because, of course, *March* is such a dry month, the average rainfall not exceeding half an inch in any district. Hence there is no reason why those who vote for *B* should not be satisfied with *A*. This includes the Deputy Commissioners of *Bangalore*, *Kolar*, *Tumkur*, *Mysore* and *Shimoga*—five districts in all.

It will be noted that the rainfall for the half year, April to September, is approximately $\frac{2}{3}$rd of the whole year's rainfall except for Shimoga and Kadur, where it is $\frac{5}{6}$. That is to say for the half year, October to March, the country gets only $\frac{1}{3}$rd of its yearly supply of rain, and in two districts Shimoga and Kadur, only $\frac{1}{6}$th of its yearly fall.

Again if we look at proposal *C* it may be noted that the mean rainfall is much more equally divided for the two halves of the year in all districts except Hassan, Shimoga and Kadur. It will be noted also that it is the Deputy Commissioners of these very districts, that advocate this scheme, which does not correspond to an equal partition of their rainfall. Lastly it will be noted that scheme *D* (the division into the two calendar halves of the year) does not correspond to any more equable partition of the rainfall than *A* or *B*.

It appears from the various statements given that the mungar and hingar rains practically correspond to those of the *S. W.* and *N. E.* Monsoons. Taking everything into consideration, therefore, I am of opinion that the most suitable division of the year for the purposes of rainfall registration would be that of proposal *A*., *viz* :—

(1) April to September.

(2) October to March."

No. 7081-89—R. 2337, DATED, BANGALORE, 5TH FEBRUARY 1897.

ORDER THEREON.—On a perusal of the letters read above, Government are pleased to accept the proposal submitted by the Director of Meteorology in Mysore, and accordingly direct that the year be divided, for the purpose of rain-fall registration, into two periods, *viz.*:—I, from April to September, and II, from October to March, in each year. In the monthly rain-fall returns, submitted to Government, the total rain-fall from the beginning of the period to which the return relates up to the end of the month for which it is prepared should be inserted in column 40, "Total rain-fall from", the first month of the respective period being specified in the heading thereof. The *total* of the *average rain-fall* (as per figures shown in the appended statement) from the beginning of the period to the end of the month for which the return is prepared should be inserted under column 41, "Average rain-fall from," mentioning again the first month of the period.

2. The information now furnished by Deputy Commissioners under column 36, "Average number of rainy days" and column 38 "Average rain-fall for the month" not being in accordance with the figures supplied by the Director General of Statistics, Deputy Commissioners are requested to adopt in their future returns, the figures given in the appended statement.

EXCISE.

Proceedings of the Government of Mysore,

READ:—

Letter from the Excise Commissioner No. 3468—245, dated 28th December 1896, recommending the remission of Rs. 1,593-12-0, in favor of Venkatrangaiengar and Sargur Ramanna, toddy vend farmers of Heggaddevankote taluk, for the year 1895-96.

No. 7295-96—Ex. 287, DATED, BANGALORE, 11TH FEBRUARY 1897.

ORDER THEREON.—The Excise Commissioner recommends the remission, in favor of Venkatrangaiengar and Sargur Ramanna, toddy vend farmers of the Heggaddevankote taluk for 1895-96, of the balance of Rs. 1,593-12-0 still due from them.

2. The circumstances under which the bids ran up to more than Rs. 19,000, under the influence of unwholesome competition, have been fully stated in the Excise Commissioner's report. Mr. Ricketts was finally in favor of accepting Rs. 18,000, inclusive of local cess, from Venkatrangaiengar and Ramanna, that amount being nearly Rs. 3,000 in excess of the previous year's highest bid. The Deputy Commissioner, however, insisted upon the payment of local cess in addition.

3. Government observe that as a rule all farmers must abide by their contract and no remission can be claimed by them, or recommended in their favor, on the ground of loss, &c.

4. Strictly speaking, therefore, there are no grounds on which the farmers in this case can claim any relief at the hands of Government. But considering the circumstances under which their bid was obtained, Government are pleased, as a special case, to remit the local cess amount of Rs. 1,125, referred to above. The balance should be recovered as quickly as possible.

C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.

To—The Excise Commissioner in Mysore.
The Comptroller, Mysore Government.

READ:—

Letter No. 4248—289, dated the 10th February 1897, from the Excise Commissioner in Mysore, submitting, for approval and publication, a draft Notification embodying the cost of Messrs. Parry & Co.'s apparatus, stock and block at the Central Distillery, Bangalore, the deduction to be made on account of depreciation and wear and tear and the balance to be paid by the new contractor.

ALSO:—

C. No. A., dated the 20th February 1897, from the same Officer, submitting copies of letter and telegram from Messrs. Parry & Co., acquiescing in the valuation of their plant, &c., in the Distillery made by the Excise Commissioner and deprecating further reduction.

No. C. 231—R. F. 276-92, DATED, CAMP MYSORE, 23RD FEBRUARY 1897.

ORDER THEREON.—The statement showing the valuation of Messrs. Parry & Co.'s plant, received with the first of the letters read above, is approved. A Notification will be published accordingly in the next issue of the *Mysore Gazette*.

2. Government observe that the net value payable to Messrs. Parry & Co. by the in-coming contractor is Rs. 52,053-11-3.

C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.

No. 232—R. F. 276-92, dated, Camp Mysore, 23rd February 1897.

With reference to para 3 of Rule III, Part I of the Arrack Rules, published with Notification No. 495, dated 30th March 1892, and to Condition IX in para 8 of Government Notification No. 5814—Ex. 223, dated the 28th December 1896, as amended by Notification No. (Camp) 151—Ex., dated 16th February 1897, the following statement showing the cost of the stills, vats, pumps, other apparatus &c., put up at the Government Central Distillery, Bangalore, by Messrs. Parry & Co., Manufacturers of Arrack to the Mysore State, the average rate at which deduction, on account of depreciation and wear and tear for the period of user, is ordered, and the net price fixed for each article, is published for general information.

FOREST.

Proceedings of the Government of Mysore,

READ:—

Correspondence ending with letter No. 1915—163, dated the 4th December 1896, from the Conservator of Forests in Mysore, submitting revised draft regarding the demarcation of the Huliyurdurga State Forest in the Tumkur district, and explaining, with reference to this office No. 5668—Ft. F. 38-95, dated 19th December 1895, that Nos. 3 to 18 in Survey No. 2 and Survey Nos. 577, 578, 579, 560 and 556 are all assessed unoccupied wet lands, portions of which it is proposed to include in the said forest as marked in the sketches, and also submitting an alienation statement in respect of assessed lands proposed to be included in the forest; and requesting that the draft notification of the revised boundaries of the forest in question, submitted with his predecessor's letter No 1802—183, dated 30th November 1895, may now be approved and published in the *Gazette*.

No. 7149-50—Ft. F. 38-95, DATED, BANGALORE, 1ST FEBRUARY 1897.

ORDER THEREON.—The alienation of the marginally noted lands in the village of Hosege hobli of the Kunigal taluk for inclusion in the Huliyurdurga State Forest is sanctioned, the assessment thereof, namely, Rs. 133-4-0 being written off the accounts.

Nos. 556, 559, 560, 577, 578 and 3 to 18 of Survey No. 2 measuring 24 acres and 35 guntas and bearing a total assessment of Rs. 133-4-0.

2. The following notification containing the revised boundaries of the forest in question will be published in the *Mysore Gazette*.

Correspondence ending with letter No. 3813—359, dated the 14th May 1896, and subsequent reminder No. 439—45, dated 30th July 1896, from the Conservator of Forests in Mysore relating to the reservation of the Tirtharampura State Forest in the Tumkur district,

No. 7151-53—Ft. F. 38-95, DATED, BANGALORE, 1ST FEBRUARY 1897.

ORDER THEREON.—With the correspondence read above, the Conservator of Forests submits for sanction an alienation statement in respect of lands included in the Tirtharampura State Forest. It comprises 27 survey numbers, aggregating in extent 8,445 acres and 13 guntas, situated in the marginally noted villages of the Gubbi and Chiknayakanhalli taluks. The settlement of the forest in question having been effected so far back as 1893, after an enquiry into the requirements of the villagers concerned by the then Deputy Commissioner, the alienation of the lands proposed in favor of the Forest Department is sanctioned. The above area includes an extent of 13 acres and 38 guntas of assessed unoccupied land, as noted in the margin, situated in the village of Koudli in the Gubbi taluk and bearing an assessment of Rs. 9-4-0 which will be written off the accounts.

READ:—

The following letter No. 1918—164, dated the 28th November 1896, from Colonel I. Campbell Walker, Conservator of Forests in Mysore, with its enclosure.

Referring to your Official Memorandum No. 2975—Mis. 576 of 29th August last, calling my attention to Subject No. *31 of the Dasara Representative Assembly Proceedings of 1895, I have the honor to submit copy of a letter on the subject from the District Forest Officer, Kadur, in whose views, which are identical with those already expressed by my predecessor in his No. 871—96 of 27th September 1895, which formed subject of Government Proceedings No. 7233-4—Ft. F. 105-95 of 12th February 1896, I concur.

* TIMBER FROM DISTRICT JUNGLES OF OTHER VILLAGES.

Summary of discussion.—Raiyats of villages having no District jungles attached to them should be permitted to take timber from District jungles of other villages.

Reply of Government.—The Deputy Commissioners can arrange for this where necessary. The establishment of depots is also under consideration.

2. The revised rules, sanctioned by Government Proceedings No. 6075-83—Ft. F. 105-95 of 8th January last, give Deputy Commissioner permissive power to assign forests for the use of villages which have none, when he considers it necessary and they are available without detriment to others.

3. With regard to depots at taluk head-quarters, I share Mr. Ricketts' and Mr. Hira Singh's views that, so far from increasing their number, we should endeavour to abolish them by degrees and induce responsible middlemen to purchase timber, firewood, &c., from depots in or near the forests and retail it to consumers, which is not, I consider, our legitimate business and much better left to private enterprise.

ENCLOSURE.

Letter No. 242, dated the 17th November 1896, from the District Forest Officer, Kadur district, to the Conservator of Forests in Mysore, through the Deputy Commissioner, Kadur district.

With reference to your letter No. 1421—87, dated 3rd October 1896, I have the honor to state that both Mr. Russell and Mr. Sparkes, the late Deputy Commissioner of Kadur, suggested the establishment of Forest Depots for the supply of timber to raiyats at taluk head-quarters of this district. This suggestion, however, was not approved of by Mr. Ricketts, late Inspector General of Forests, and fell to the ground, *vide* his docket No. 871—96, dated 27th September 1895 to Government, and Government Proceedings No. 7233-4—Ft. F. 105-95, dated 12th February 1896.

2. Most of the villages, especially in the maidan taluks of Kadur and Tarikere of this district, have no jungles in their village limits. This, I believe, is partly due to climatic conditions and partly to the reckless cutting and consequent denudation of the originally existing tree-growth by the raiyats living in close proximity. If, under such circumstances, the raiyats now living in such villages complain that they cannot get their timber near their villages, they have to thank themselves for their negligence, and the Forest Department, in my opinion, cannot undertake to supply them their requirements in timber, fuel, &c., at cost price or at a cheaper rate than they now get, at their very doors. The establishment in this case will have to be greatly increased, and the undertaking, after all, is not likely to give satisfaction even to the raiyats themselves as their requirements are likely to expand, when they see that they can get all they want at cost price and very near their homes. I would, therefore, think that these raiyats should be made to purchase their timber, &c., at ordinary rates at present depots in the district, and the number of these depots might be increased to suit the maidan raiyats if considered necessary.

No. 7148—Ft. 444, DATED, BANGALORE, 5TH FEBRUARY 1897.

ORDER THEREON.—Recorded with the observation that no modification of the existing rules seems necessary, and that the Government would be glad if the suggestion of the Conservator of Forests, made in para 3 of his letter read above, could be practically given effect to by the encouragement of private enterprise.

Letter No. 2634—206, dated the 22nd January 1897, from the Conservator of Forests in Mysore, submitting a statement giving particulars of the dismissal for gross misconduct of one Shankarappa, Depôt Mutsaddi, Yemmedoddi.

Statement showing the name of official of the Forest Department, who has been dismissed from the Mysore Government Service for misconduct as prescribed in the Chief Commissioner's Circular No. 67, dated 26th June 1862 :—

Department.	Name of person.	Rank.	Amount of pay.	Date of dismissal.	Grounds for dismissal.
Forest Department.	Shankarappa.	Yemmedoddi, Mutsaddi, Kadur district.	Rs. 12	21st August 1895.	Shankarappa, while Depôt Mutsaddi at Tarikere Depôt, contrary to standing orders, kept with him Rs. 2-12-0, the value of fifty bamboos sold to one Narasinga Rao on 26th June 1894, without issuing an advice for crediting the amount, till found out by the Ranger on 28th June 1894. He allowed the removal of the above bamboos without a passport. 2. He gave over one hundred bamboos to one Banda on 25th June 1894 out of the lot purchased by Kurubar Ramanna at the auction sale on 19th June 1894 with the connivance of the purchaser, which the Depôt Mutsaddi had no business to sell to Banda when the original purchaser had not even fully credited the amount to Treasury as per advice issued. Banda states that he has paid the value of the bamboos to Ramanna and Ramanna states that he has paid Rs. 6 out of it to Shankarappa. Shankarappa did neither credit the amount nor issue a passport. This reflects much on his conduct. 3. Shankarappa issued an advice for 460 bamboos in Rangaiya's name, one of contractor Ramanna's men. These bamboos never came to the depôt. As Ramanna, contractor, whose stipulated quantity was 3,600 bamboos, brought all except 460 within the time given, Shankarappa, conniving with the contractor, issued an advice for the 460 bamboos and took to account that quantity and has issued a passport for that number though no bamboos were actually brought into and removed from the depôt. This has been done evidently to save the contractor and has thus committed fraud. 4. When Shankarappa was doing Forester's work at Muthodi during 1894-95 he mis-appropriated Government money by employing a smaller number of fire patrols than the sanctioned number, for which he was prosecuted for criminal breach of trust, &c., by a public servant, but the case fell through for want of evidence. Order of the then Deputy Conservator of Forests Mr. Russell. "It is quite evident from this record that Shankarappa was guilty of fraud, but whether at this distance of time a criminal case against him could be successfully prosecuted is very doubtful. I, therefore, finding ample grounds for departmental punishment, dismiss him from service."

The following letter No. 2766—218, dated the 30th January 1897, from Colonel I. Campbell Walker, Conservator of Forests in Mysore.

In modification of the Notifications, marginally noted, so far as the retail rates of the Hunsur Depôt are concerned, I have the honor to submit, for favor of sanction and publication, the accompanying draft Notification based on the proposals of the District Forest Officer, Mysore, through the Deputy Commissioner, on the following grounds, *viz*, (i) that demand for timber has been greater since the abolition of the Coorg Depôt at Hunsur, (ii) that in consequence the Hunsur Depôt requires to be stocked with big timbers including teak logs for which there was no necessity before, and (iii) that higher rates have to be paid for collection.

No. 6916-19—R. F. 117-95, DATED, BANGALORE, 1ST FEBRUARY 1897.

ORDER THEREON.—With the above letter, the Deputy Commissioner submits the Memorandum and Articles of Association of an Agricultural Bank proposed to be established at Chikmagalur by Mr. C. Srinivasa Rao and 25 other coffee planters holding lands in 41 villages of the Chikmagalur taluk.

2. On a perusal of the papers submitted, the Government observe that the signatures of the members have not been affixed to the Memorandum and the Articles of Association as required by the form laid down for the purpose. This omission should be supplied.

3. The Bank is proposed to be started with a capital of rupees three lakhs. The aggregate value of the property held by the members is put down as Rs. 19,98,400 (or 20 lakhs in round numbers) with an encumbrance of Rs. 32,000.

4. The Deputy Commissioner thinks that some penal clause should be inserted in the rules so as to provide against the loan obtained from Government being applied for purposes other than those stated in the application; but Government consider that para 55 of the Articles of Association sufficiently provides for such cases, and that no additional clause is required as suggested.

5. The valuation of the property remains to be verified by the Inspector of Agricultural Banks with the aid of a respectable panchayat and with special reference to the market value of the lands as ascertained from the books of the Registration Department.

6. The applicants propose to regulate the grant of loans by the Bank, not according to the limit laid down in para 6 of Government Proceedings No. 5038-47—Fl. 274, dated 2nd December 1893, but according to a scale under which a loan of Rs. 1,000 is admissible under class IV "Mubadala or hand loans," and of Rs. 40,000 under any other class, with a proviso that no member shall at any time be indebted to the Bank in a larger sum than Rs. 40,000, including loans of all descriptions granted both to himself and to other members on his security. Government are of opinion that the circumstances of this Bank are such as to justify a departure from the first mentioned scale, which is intended only for Banks with a small limited capital. A larger limit may, therefore, be permitted in this case as follows:—

	Rs.
Class I on the security of immovable property	25,000
,, II on Joint pro-notes	3,000
,, III on Joint instalment bonds	1,500
,, IV on Mubadala	500

A fresh Memorandum and Articles of Association on the lines above indicated should be obtained from the members and duly registered.

7. The Deputy Commissioner, instead of submitting an extract from the taluk map, has sent up the taluk map itself marking thereon the villages of the applicants. As it is likely that this map will be required for reference in the District office, the Deputy Commissioner is requested to submit an extract therefrom as early as possible.

8. With the above observations, Government are pleased to sanction the grant of an advance not exceeding Rs. 3,00,000 at 4 per cent interest per annum, subject to the condition that no money should be advanced until the Inspector of Agricultural Banks shall have, by local inspection and careful enquiry, satisfied himself as to the solvency of the members, and the correctness of the valuation of their lands and made a report to that effect to the Deputy Commissioner. The amount should then be advanced in such instalments as the Deputy Commissioner may consider proper. Interest should be recovered half yearly on 30th June and 31st December, commencing from the date of each instalment.

9. The Inspector should see that all existing encumbrances are duly discharged, that the documents connected therewith are all taken back, and that in the case of all large loans to the members, duly registered deeds of hypothecation, together with title-deeds and discharged bonds are secured by the Bank and lodged in the Government Treasury.

10. The members of this and other Agricultural Banks must be made distinctly to understand that the Government have come to their rescue as a temporary measure only, and that they should use their utmost endeavour to place themselves, within a reasonable time, in a position to depend upon their own resources and to dispense with the help of Government. This is best done by the members constituting the Banks, saving out of the usufruct of their lands all that can possibly be saved after defraying their ordinary expenses and meeting other legitimate requirements, as well as by putting by the difference between the exoribitant interest which they have hitherto been paying and the very moderate interest which they will hereafter have to pay. They must be clearly warned that Government aid is liable to be withdrawn at once if the above important consideration be not constantly borne in mind and readily given effect to.

PETITION.

Proceedings of the Government of Mysore,

No. 6983-90—P. 1250, DATED, BANGALORE, 2ND FEBRUARY 1897.

ORDER.—

* * * *

Government observe that the only ground, upon which the Deputy Commissioner has refused to grant the land applied for, is that it is a muffat number, that that ground is *per se* inadequate, and that if, as reported by the Amildar in this case, there is no assessed waste available in the village and the villagers have no objection to the grant of the gomal in question for cultivation, there is apparently nothing to prevent the application from being favorably entertained.

C. SREENIVASIENGAR, *Secy to Govt., Gen. & Rev. Depts.*

To—The Deputy Commissioners of Districts.

READ :—

Docket No. 457, dated 23th January 1897, from the Deputy Commissioner, Kadur district, stating that the appeal would lie to him as the order appealed against was passed by Mr. B. Ramaswamaiengar, Extra Assistant Commissioner.

No. 7545-52—P. 1347, DATED, BANGALORE, 15TH FEBRUARY 1897.

ORDER.—Government observe that when Assistant Commissioners pass orders on their own account, and do not affix their signatures to the orders passed by Deputy Commissioners, they ought not to sign "for Deputy Commissioners". This practice, which seems to prevail to some extent, is misleading and should be discontinued.

C. SREENIVASIENGAR, *Secy. to Govt., Gen. & Rev. Depts.*

To—The Deputy Commissioner, Kadur District.
The Deputy Commissioners of other Districts.

READ :—

Petition, registered No. 2718, dated 13th April 1895, from Timmannagauda, inamdar of Hemmakki village in the Tirthahalli taluk, appealing against the order of the Deputy Commissioner, Shimoga district, directing levy of coffee kandayam and seigniorage on his inam kan and claiming the right to cultivate coffee in his inam kan free of assessment.

2. Records of the case received with the letter No. 16—15, dated 3rd July 1895, from the Deputy Commissioner, Shimoga district, which show that the inam in question is a Brahmadaya inam.

3. Rule No. 5 of Government Notification No. 1492—Camp, dated 25th November 1885, running as follows :—

"The kan holder has no right to plant coffee in the kan and infringement of the conditions of the kan tenure will render the kan liable to be resumed."

4. Letter No. 45, dated 25th November 1896, from the Superintendent of Inam Settlements in Mysore, stating that in his opinion the rules which apply to Government kans must apply also to inam kans as far as restrictions as to the use to which the kans are to be put are concerned.

No. 7648-49—P. 1370, DATED, BANGALORE, 28TH FEBRUARY 1897.

ORDER THEREON.—Government observe that the view taken by the Inam Superintendent is correct. The inam or rather the alienation is of the Government assessment which, in this instance, is only Rs. 12 on an extent of 185 acres. Barring this fact of alienation, the holding is subject to the same rules and restrictions as an ordinary kandayam holding on *kan tenure*. The Deputy Commissioner is quite right in objecting to the cultivation of coffee thereon. The best course to adopt in such cases is to prevent the prohibited cultivation altogether rather than impose and collect a heavy assessment under the coffee rules against the wishes of the occupant. In this view the petitioner must be given the option of removing all coffee and conforming his enjoyment to the kan rules. If he submits to this condition and carries out the order of the Deputy Commissioner within a reasonable time, he may be excused the past assessment and also the fine in lieu of seigniorage. The act of the petitioner was novel and unprecedented and would not be characterized as wantonly mischievous or contumacious. Possibly, he was as ignorant of his rights and liabilities as the local authorities themselves were in the matter. The latter are not altogether free from blame in allowing this cultivation to be carried on for a number of years without let or hindrance.

If the petitioner is, however, willing to have the holding converted into a coffee holding under the rules applicable to that tenure, he may be permitted, as a special case, to do so from the year in which the plantation began to yield. In any case, the heavy fine inflicted on account of the seigniorage will be remitted.
